On a memorandum, dated 22° December 1873 from the Honorable Mr Mackenzie reporting that under the 26° Section of "The British North America Act, 1867" on the recommendation of the Governor General, Her Majesty may direct that three or six Senators be added to the Senate.

That in his opinion it is desirable in the public interests, that six additional Senators should be named under that provision.

That he therefore recommends that Her Majesty be requested by Your Excellency to direct that six members be added to the Senate in accordance with the provisions of the "British North America Act" above cited.
