House of Commons,
Ottawa, Ontario.

Dear Mr. Woodsworth,

I would like to thank you again for your hospitality to me while I was in Ottawa. I very much enjoyed the opportunity of staying with you.

I had a letter from Mr. Coldwell asking me to forward my material for B.C. to Mr. Robinson as well as to Harold Winch. I presume Mr. Coldwell has already left for B.C., but if he has not you may tell him that I shall follow his suggestion.

Yours sincerely,

F.R.Scott.
