### Terms and Conditions on which all Messages are received by this Company.

In order to prevent disputes and correct as nearly as possible some of the errors arising from atmospheric and other causes appertaining to telegraphs, every important message should be repeated, or being sent back from the station at which it is to be received to the station from which it is originally sent. If the usual rules will be observed for repeating the message, and while the Company is paid each will endeavor to send messages correctly and promptly, it will not be responsible for errors in delivery in the transmission or delivery, nor for the non-delivery of repeated messages, beyond the amount paid for sending the message. It will also be responsible for messages for which it is not paid for sending the message, and for the non-delivery of any unimportant messages, beyond the amount paid for sending the same, unless in like manner specially receipted, and consent of both stations, and paid for at the time. No liability is assumed for errors in cipher or otherwise in the message, unless in like manner specially receipted, and consent of both stations, and paid for at the time. No agent or employee is allowed to vary these terms, or make any other or verbal agreement, nor any promise as to the time of performance, and no one but a Superintendent is authorized to make a special arrangement for any other or verbal agreement, nor any promise as to the time of performance, and no one but a Superintendent is authorized to make a special arrangement for any other or verbal agreement.
