MEMORANDUM TO MESSRS. CAMERON AND GOLDENBERG

CABINET DOCUMENT FORMAT

At a discussion of the package for the peoples group this morning, it was decided that format for the individual subjects on its part of the Cabinet Document would be as follows:

- background;
- provincial positions;
- recommended federal position
(including negotiating strategy on the item);
- recommended initial CCMC stance
(written in such a way as to be readily convertible to an initial statement by Mr. Chrétien on the item).

I thought this information might be helpful to you.
